

Early Childhood

Young children are the foundation of our community. Guthrie County is fortunate to have a variety of quality programs available to families for the care and education of their young children.

The intent of the brochure is to provide residents of Guthrie County with a list of resources when looking for child care, preschool and early childhood services.

Iowa's early childhood mission is:

Every child beginning
at birth will be healthy
and successful.

Child Care

Child Care Resource & Referral

Child Care Resource and Referral (CCR&R) provides resources, education and advocacy to support quality child care. They assist families in finding care that meets their needs and talk to parents about quality indicators such as ChildNet and the Iowa Quality Rating System (QRS). Child Care Consultants provide on-site consultation to all preschools, centers, homes and before and after school programs. CCR&R also provides professional development to child care professionals and provides data to community leaders.

800-945-9778 • www.iwaccrr.org

Non-registered home providers can care for five or fewer children at one time (including their own) and are not required to be registered. They are mostly unregulated.

Registered Home providers may care for six or more children at one time and agree to meet minimum health and safety standards. There are three categories of registration, based on size of house, education level and years of experience.

Child Care Centers and Preschools are either licensed by the Iowa Department of Human Services, or regulated by the Iowa Department of Education (if in a school building). These programs must be in compliance with standards set forth by their respective departments.

For more information about the various types of care and early education, contact Child Care Resource and Referral at 712-792-9266 or 800-945-9778. For referrals, call 800-945-9778.
